Fourth Thursday of the Month

11:00 a.m.–12:00 p.m.

The California Department of Education, Special Education Division, and the Seeds of Partnership project, invite you to join this engaging webinar series.

Whether you're a parent seeking to learn more about special education, related supports, and how to deepen your partnership with educators, or an educator looking for strategies to engage and support families, this webinar series offers a unique opportunity for collective learning.

By learning together, we can build stronger connections that empower students to do their best both academically and personally. Each session will include a variety of topics, such as strategies for effective communication, ways to strengthen family-school relationships, insight into systems, programs, supports, best practices and approaches.

Who should attend? Parents, educators, administrators, leaders, and parent center staff – all of whom support students with disabilities.
